

# Red Cross Branded Emergency Preparedness Kits

You never know when disaster will strike. Being prepared means being equipped with the proper supplies for you and your loved ones in the event of an emergency or disaster. Be prepared at work or home. These Red Cross-approved Emergency Preparedness kits contain survival supplies in easy-to-carry backpacks and shoulder bags that you can grab and put on quickly while keeping your hands free to help others.

## **Starter 91050**

This Starter kit provides the basic essentials for one person's food and water for 12 hours and beyond. These essential supplies are packaged in a convenient handled bag.

## **Basic 91051**

The Basic 3-Day Emergency Preparedness Kit contains the basic supplies for one person for 3 days, including a crank-powered flashlight/radio/cell phone charger and a multi-tool in a lightweight backpack with extra room for personal items.

## **Deluxe 91052**

The Deluxe 3-Day Emergency Preparedness Kit is equipped with emergency supplies for one person for 3 days. Supplies include a hand crank flashlight/cell phone charger with a weatherband radio and a multi-tool. All these supplies are packed in a durable back pack with removable organizer, and room to add your own personal items.

## **Family, 4 Person 91053**

Make sure that your family is ready with this 4-Person 3-Day Emergency Preparedness Kit. This overstocked kit contains a premium hand crank radio with flashlight, cell phone charger; weatherband radio; solar panel; ear jack and SOS alarm. The kit naturally includes four sets of supplies in a convenient and organized backpack.
